EXPERIENCE

I have unique handyman skills to the Key West and Lower Florida Keys area, which I received from fathers, brothers and uncles doing the same work in this region for generations. 30 years of individual experience.

SERVICE

I have received awards and recognition over the past 8 years for outstanding service to the Glad Tidings Tabernacle food ministry 'Loaves & Fishes,' and received the coin for the City of Key West.

EXPERIENCE

2018-Present

Owner: *Lower Keys Home & Lawn Care Services LLC*, providing handyman services to the island of Key West, FL, including general repair, pressure washing, painting, tree trimming, landscaping, debris clean up and hauling, dock repair and installation, furniture assembly, flooring installation, gravel, vent cleaning, gutter cleaning and repair, and more. My company has provided services for Suntex-Garrison Bight Marina since 2018, including maintenance and repairs, electrical, plumbing, and decks.

Past Experience

Past work includes: Drove dump truck, wrecker truck, worked for electric companies, owned a mechanic shop, and more. Jack of all trades, mostly self-taught.
